Work Experience

Stocker 09/2023 to present

Costco Wholesale Fredericton (VPS), NB

- Collaborated with team members and department leads to prioritize stock replenishment based on customer demand and store requirements.
- Actively communicated cross-team, addressed customer inquiries and assisted with product location.

Web Developer 06/2023 to 09/2023 (Summer Job)

PathFinders Gospel Fredericton NB

As a WordPress Web Developer at PathFinders Gospel, I create, maintain, and optimize WordPress-based webpages that deliver exceptional user experiences and align with our client's needs. Leveraging my proficiency in HTML, CSS, and JavaScript, I collaborate closely with design and content teams to translate concepts into visually appealing and responsive websites.

Technology Instructor 01/2016 to 06/2022

CDSL Mossoro, RN, Brazil

- Educated and instructed children and young learners in the fundamentals of robotics programming using Lego and pseudo-language.
- Demonstrated proficiency in utilizing instructional technology and various tools to enhance student engagement and understanding, including audiovisual materials, interactive whiteboards, and simulation software.
- Trained and mentored other employees on various technology subjects, including software applications, hardware maintenance, and troubleshooting procedures.
- Facilitated regular meetings with parents to discuss student progress, strengths, and areas for improvement, establishing a positive and collaborative relationship between the school and families.

Education

New Brunswick Community College

Information Technology-Programmer Analyst Fredericton, NB

09/2022 to 06/2024
